A Personal Note from Dr. Sandy

Thank you for your interest in Ministry Documentation through PowerHouse Ministries! PHM is based on relationship with Jesus Christ, believing the things He taught, and putting our gifts and our faith into action.

The PowerHouse Ministries Documentation Program was birthed for the purpose of training, activating, and mobilizing emerging leaders to the forefront of Christian evangelism. We are always looking to invest in people who desire to represent Him and His ways through the call of God upon their lives and their corresponding spheres of influence. We are relationally and spiritually producing disciples for the Harvest. This program assists us in recognizing and endorsing up-and-coming, as well as established, ministers in relationship with PHM who *labor among us while being launched into other outlets of opportunity as God presents.*

All PowerHouse Ministries Training Curriculum was designed to cover basic Bible foundation with **concentration on training and activating life in the Spirit.** It is through the involvement of other various leaders and ministry spokesmen / teachers & Chaplains, that we can offer the variety of courses that we do.

Class cost applies only to those desiring Ministry Documentation, otherwise PHM CLASSES are offered to the public FREE of charge!

A non-refundable application fee of \$25 payable to PowerHouse Ministries, Inc. is due at the time of Ministry Documentation application submission.
If a ministry documentation enrollee cannot afford to submit full tuition by the graduation date, documentation will be awarded to individuals upon full tuition submission & acknowledged recorded attendance.

I am excited at the thought of your advancement in the knowledge and understanding of the Word and the power of the Spirit. *The way we respond to our development process will greatly contribute to determining our point of release.*

Once we've learned what God desired to teach or impart, then His release is sure to follow.
Our release is our opportunity for increase.

With great anticipation I look forward to seeing you in class!

Yours ... for Him,

Dr. Sandy Powell
